Other Completions*	0		
Graduation Completion Rate...	100%	* Certificates of Completion issued by the district	
		** Limited English Proficient (LEP)	

Highlights

We've had a very good year. We finished the High School addition and everyone has enjoyed the extra space. The new commons area has helped our lunch program experience a good year financially. The district is working on remodeling some rooms in the Elementary school for the 2005-2006 school year.

Teachers were trained to use the ISAT data to help meet the needs of all students.

The district has also worked on a wellness program, inviting Mr. Robert Sweetgall from Creative Walking, to motivate everyone to increase exercise and keep track of his or her steps with a pedometer which everyone received.

Progress Towards Meeting Goals

2004-05 Goals

Progress

High School Addition was completed on time, and successfully.

The addition has been very beneficial to everyone. The extra classrooms, restrooms, commons area, weight room and new media center have all been a welcome addition. 6 (six) classrooms received projectors, which the teachers and students have found to be very beneficial. Those, along with the new computers and lab, have been an asset to our district.

Survive another remodel plan, this one being; rooms at the Elementary School.

The remodel of 5 classrooms, restrooms, computer lab, etc... is up and going. The job began on time and is moving along as scheduled. This will be a welcome improvement for everyone.

Professional Development and Training for Teachers with ISAT testing.

Teachers and staff are more aware of the requirements for the ISAT testing. Because of this, more students are passing and achieving these requirements.

Get Fit by Walking

Each staff member received a pedometer so they could keep track of their steps throughout the year. Reward incentives were given for each level of step progress.

Community involvement to improve our District Facilities

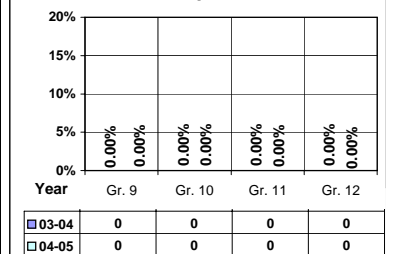

The Booster Club and PTSO continue to work diligently to accomplish goals that were set to improve the district facilities. Both organizations are holding fundraisers, auctions, yard sales and barbeques to raise funds for new playground equipment at the Elementary, and to improve the facilities at the football field.

Note: Rank represents how this district compares to the other public school districts in the State of Idaho; high to low (1 being the highest).

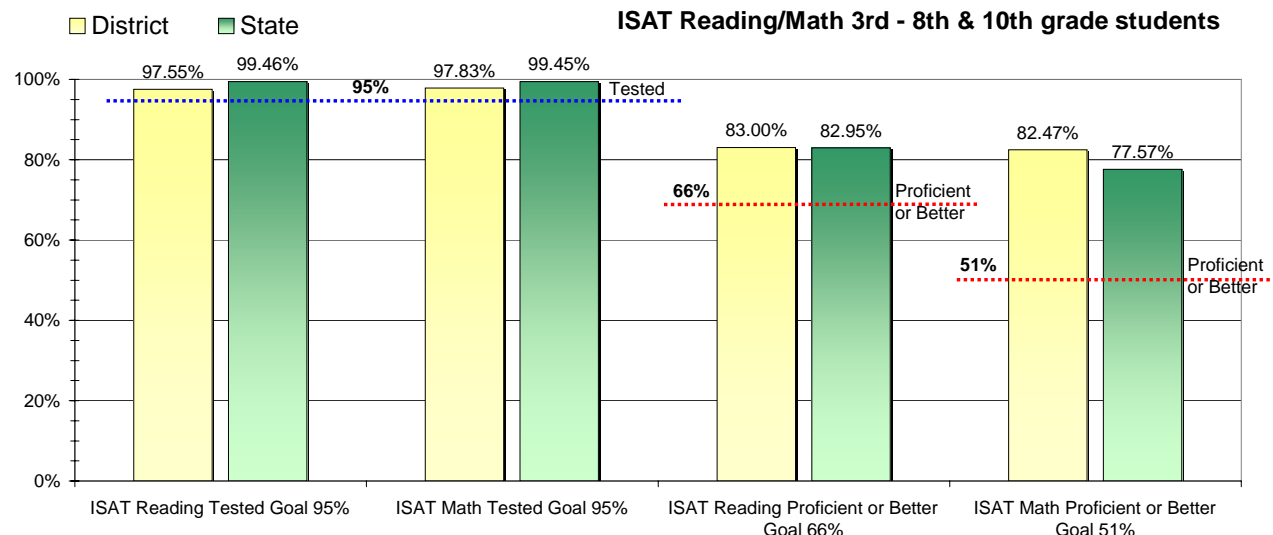

Adequate Yearly Progress and Assessment 2004-05

Did Ririe Jt District make Adequate yearly progress for 2004-05? No

Percent of the 41 targets that Ririe Jt District made: 95.12%

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.

More Information is available at: <http://www.sde.state.id.us/admin/ayp05/default.asp>

To Protect the privacy of individual students the following symbols are used.

^ No participation determinations are made for groups of less than 10 students. The participation rate of students in this group is included in district and state totals.

~ No proficiency determinations are made for groups of less than 34 students. The proficiency level of students in this group is included in district and state totals

3rd Indicator - Graduation Rate

2003	2004	Goal
